

Wrap of FY0102:

Dear members,

It has been a busy year for BPW Pilbara.

We have finished the 01/02 year with 35 financial members, a very healthy club indeed. With our diversity comes our strength, an ability to support one another in times of crisis, and able to support and contribute to the community in a very positive way at all times.

We have enjoyed 12 dinner meetings over the financial year, a great networking tool for us all. We have enjoyed the company of 86 guests throughout the year, and listened to and learnt from 10 different speakers.

We are also important to the KIH, having contributed \$4847 to their turnover and even more by word of mouth and goodwill, as we have enjoyed 277 meals in the Goldfinch room.

I sincerely hope some one is able to run with the VPIP position for us, as I must stand down this year. I am able to hand over a database to make keeping track of members very easy, and also can offer help and training in using it.

Enjoy your night!

Valeri Pain
Outgoing VPIP.
