The 2001 Irishtown Progressive Christmas Party

For those who were unable to make it, you missed a fantastic evening. The food was magnificent, the venues stupendous, and the hostesses superb. It was a sight to behold, convoys of BPW women driving around Irishtown in the dark, searching for those elusive balloons. Sue's Christmas Tree was a Work of Art; Graham McCutcheon cheerfully tackled that huge pile of dishes; Tina's steep driveway was an interesting exercise to say the least, but probably necessary after all those delicious desserts, and Santa's visit to Kathy and Liz's place was a highlight of the evening.

Congratulations to Kaye for all your hard work organizing the evening.

Liz's Corner

I hope you all had a wonderful festive time with your families and friends—and 2002—here we come!!

Last year, as a result of all the problems in the world, it was strongly reinforced to me that family and friends are what are most important not money, assets, or your job or career. Since September 11th I have really lived this and will continue to do so. Surprisingly I have not found it hard and if I have one wish for all of us—it is to value family and friends—perhaps more than we did.

I would like to thank Sylvie for standing in for me in December, presenting the book awards to Donnybrook DHS when I was sick, and Annette J who presented the awards to St Marys. . Also thanks you to Sandra for organising the BPW certificates for both schools.

A big thank you to you all.

The committees for Music By the River and International Women's Night are doing a terrific job and I just know the events will be a credit to the club. Good on you.

I look forward to catching up with you all on 5th Feb and sharing festive stories. Don't forget the "Lamington Drive" - interesting bits to fine members for—I already have a few!!

Cheers!

Liz
