July 2003

Dear Members and guests,

We have finished the 02/03 financial year with 21 financial members, down on 35 the same time last year.

We enjoyed 11 dinner meetings over the year. These are a great networking tool and also a way for many busy women to take time out, relax, and to share burdens or joy. We had 6 external speakers address our gatherings, and as many club members share topics of interest with us. We also had the company of at least 29 different guests at our meetings, which is a valuable way of including visitors and new arrivals to Karratha in social networking.

We assisted one member to attend a workshop in Perth, which is an important club duty. For BPW Pilbara to grow and become a known reference point for professional women new to the area we must grow our professional activities.

The website continues to

- collate the stable of agendas and minutes that reflect our meetings and activities,
- provide an RSVP point for meetings,
- document some club history,
- continue a calendar of relevant events,
- state the Aims and the Collect of BPW,
- provide a contact point to committee members
- contain newsletters from our own club, 4 other WA clubs, and links to the National and International newsletters
- provides limited pictorial history of BPW Pilbara activities
- acknowledge past and present sponsors.

Yours sincerely,
Valeri Pain
