AFFILIATED WITH INTERNATIONAL FEDERATION OF BUSINESS AND PROFESSIONAL WOMEN

27th November 2004

Good Day to you,

BPW Pilbara has been undergoing some changes. We have been going through our records and found that our membership has also changed. During this time we have come to realise that not all of those changes please everyone, and we would like to support our members and potential members in ways that suit them. Obviously, no group can always make all of the people happy all of the time, but we would like to try 😊 .

As a past member/interested person you have not registered financial membership and we would like to gather feedback about membership motivation.

We would appreciate your input on the questionnaire attached so that we can set about addressing these needs to strengthen our club numbers. As this is a confidential questionnaire, inclusion of your name is optional. However it would be great to know what your personal comments are.

Please do not hesitate to contact any of the committee members below if you have any queries. This is a confidential questionnaire and you do not have to fill out your name if you do not wish to do so.

We look forward to hearing from you with your constructive feedback.

Yours faithfully,

Fran Stanley
 President
